Appleton®

The most trusted, rugged electrical solutions for industrial and hazardous environments across the world. Electrical products that work flawlessly under the harshest conditions go unnoticed every day. The Appleton brand has long been the hallmark for the protection of people and equipment while delivering reliable power. Count on certified protection for any environment, from ordinary commercial settings to harsh industrial conditions, in any region of the world.

Certified Protection for Any Environment.

ULTRA LED RT5/6 Retrofit Recessed Downlight Kit

The SYLVANIA ULTRA RT5/6 is a 5" and 6" compatible LED recessed downlight kit creating high performing white light for new construction and retrofit applications. Installation is done quickly and easily in most Insulated Ceiling (IC) housings, Airtight (AT) housings, and non-IC housings.

- Replaces up to 65W incandescent
- 700 lumens, CCT: 2700K, CRI: 90
- Reduces energy consumption up to 84%
- Fits most 5" and 6" recessed fixtures
- Dimmable down to 10% of full light output with compatible dimmers
- 50,000 hour life (L70)
- Suitable for indoor and outdoor dry, damp and wet locations
