### SCHAEDLER YESCO RANKS #13 AS ONE OF THE BEST PLACES TO WORK IN PENNSYLVANIA FOR 2019

Harrisburg, PA – Schaedler Yescó Distribution, Inc. has been named 13th in the Best Places to Work in PA, an annual award program designed to identify, recognize, and honor the best places of employment in Pennsylvania, benefiting the state's economy, its workforce, and businesses. This is the ninth year in a row and thirteenth time overall that SYD has won the esteemed award.

"It's a terrific honor to be recognized for the thirteenth time," President, Farrah Mittel said. "Maintaining a culture of employee engagement and continuous improvement is critical to our continued growth. Making sure we build an environment that provides our employee-owners with the tools and work balance to do their jobs effectively is a key part of that."

"Work hard. Go home happy. That's our goal for our team," added Greg Schaedler, Vice President.

Employers are categorized based upon the total number of employees they have in the United States, 15 to 99 employees, 100 to 250 employees, or more than 250 employees.

Companies from across the state entered the two-part process to determine the 100 Best Places to Work in PA. The first part of this process was evaluating each nominated company's workplace policies, practices, philosophies, systems, and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process.

---

Schaedler Yescó Distribution, established in 1924, is a family- and employee-owned provider of complete connected solutions for the electrical industry. With 21 locations throughout Pennsylvania, the company offers services and products for lighting, datacomm, automation, and industrial needs.
